## About Our Special Stars:

When our friends make a donation to the lola Community Theatre, they help us pay for the production costs of all our presentations. Royalties and rental are especially expensive for musical presentations. We must buy set building materials and either make or rent costumes. Other expenses cover such things as makeup, props, and special sound or lighting. Our actors, musicians and technical people are all volunteers looking for a creative experience, and donations help give them this opportunity. In addition, they help fund the Children's Summer Theater project. Our friends' dollars help us in our mission to provide quality theater, entertainment and recreation needs for hundreds of area people of all ages. That's why our contributors are the real **Stars of ICT**.
