From the Board

The Iola Community Theatre has been sharing wonderful experiences with our audiences for almost thirty years. Together we have laughed, cried, loved, hated, sung songs, confronted evil and lived vicariously a thousand other lives.

Our ability to provide these exciting and mystical adventures through the years has been made possible by donations from businesses and individuals who believe in the people of this area. They have given thousands of us an opportunity to be part of a real creative experience. These folks are the real stars of ICT and deserve a standing ovation.
